“The Sisters”

Alana Springborn

1st Grade

Homeschool

Long ago, in the hills where flowers bloomed, there lived two sisters.
One day, the older sister went banana picking! But the younger sister played games.
The little sister’s name was Lulu, and the older sister’s name was Anna.
When Anna came home, she made lunch. After lunch, the sisters went outside and climbed trees!
Then they went inside and had dessert!

They lived happily ever after!

The End.
